One site, Chippewa Inlet, is in the design stage. The amusement park site will be of focus closer to the year's end.

3. Director Eppink reported that, in April, the board authorized entering into an agreement with Friends of Medina County Parks, Inc. for up to \$95,000 for the Granger Wetlands Covered Bridge project. Due to bidding thresholds, legal counsel advised not to expend more than \$50,000. The Friends Trustees will fund the difference—with the park district paying \$49,900. The project has been on hold for two years due to COVID, supply chain issues, and the bid threshold; however, work will begin shortly.
4. Director Eppink reported that a few after-hours activities have been scheduled for staff: a tour of Allardale North (Oldfield) on Wednesday, September 7 at 6 p.m. and a tour of the Loveland Farm on Wednesday, September 21 at 6 p.m.
5. Director Eppink reported that the park district is still searching for a park planner. There are also vacancies for a police officer and a park laborer. The administrative secretary position has been filled.
6. Director Eppink reported that the Plum Creek Greenway was scheduled for paving on August 17, and the contractor expects to have the project completed by August 19.
7. Vice-Chairman de Luna asked about the timing of the Chippewa Lake Main Drive project.
