B. Roll Call

1. Roll call showed Vice-chairwoman Davis, Commissioner Neate, and Commissioner Venner present. Also in attendance were Director Eppink, Development Coordinator Peacock, Park Planner Kleshinski, Business Manager Chaney; Guilford Township residents James Carpenter, Paul Wyrzykowski, and Jansen Wehrley; and Westfield Road residents Steve and Lucie Petranek.

A. Commissioner Neate offered a motion nominating Commissioner Davis to serve as board chair for the remainder of 2023 and Commissioner Neate to serve as vice chair for the remainder of 2023. Commissioner Venner seconded; the motion unanimously carried.

III. APPROVAL OF MINUTES

A. August 16, 2023

1. Commissioner Davis offered a motion approving the minutes of the August 16, 2023 meeting as presented. Commissioner Neate seconded; the motion unanimously carried.

IV. PUBLIC PARTICIPATION

A. Chairwoman Davis thanked the Guilford Township residents for attending but asked that only new information that had yet to be shared regarding the proposed land trade with Muskingum Watershed Conservancy District (MWCD) be presented.

B. Jansen Wehrley

1. Mr. Wehrley asked to speak to bring newly appointed Commissioner Venner up to date on the issue. Mr. Wehrley stated that he and the Guilford Township residents attending are opposed to the park district's possible land trade with MWCD as it would impede the view the residents currently enjoy and requires a conditional zoning variance. He encouraged the park district to seek a different location. Mr. Wehrley said that he had spoken with the MWCD board last month.
 - a. Park District Legal Counsel Wagner arrived at this time.
2. Mr. Wehrley asked that the board listen to the concerns of the residents and Guilford Township Zoning Department. He appreciated Director Eppink meeting with him to discuss this issue and the work the park district does.
3. Director Eppink reported that he and MWCD are investigating other alternatives to make sure the right location is chosen.

C. Lucie Petranek

1. Mrs. Petranek and her husband, Steve, live near the park district's Westfield Road house and have concerns over the park district's possible lease of the house and part of the property to Majestic Equine Connections, Inc. for use as an equine therapy ranch. She asked how the lease will affect the use of her land as well as the neighbors' use of their land; . . . the size of Majestic's buildings and paddocks; the growth of Majestic; the number of horses; concern over how local noise and, perhaps, gunshots, will affect the horses as staff won't be there overnight; the impact of increased traffic and vehicles on their quiet, rural area and road; and how Majestic plans to process the horse waste. The Petraneks feel they and their neighbors need more time to receive answers to their questions rather than the lease being effective in December.
2. Director Eppink stated that the park district mailed notices to neighbors approximately two weeks ago though the park district is not required to give notice prior to executing a lease. The park board still needs to vote on the issue, and the lease would require probate court approval to move forward.
 - a. The proposed lease area is 5.5 acres in size, and there is a six-horse maximum clause.
3. Commissioner Neate mentioned the successful lease with Medina Creative Housing's equine therapy ranch next to Ravago in Medina. He said MCPD is trying to find the best resolution for all involved.
