

Alaska Land and Sea Adventure June 30 - July 14, 2018

Join Discovery Tours for another fantastic Alaska adventure in June 2018! A 14-day cruise and land tour is being planned for June 30 – July 14. This will be our fifth Friends of the Parks sponsored trip to Alaska with Discovery Tours as our guides and will include stops in popular destinations such as Anchorage, Fairbanks, Denali National Park, and Glacier Bay National Park.

Our cruise and land tour will be with Princess Cruises, voted “Best Cruise in Alaska” by Travel Weekly magazine. Chip Cipolletti from Discovery Tours will be our tour guide. Chip has made numerous trips to Alaska and is well acquainted with all aspects of our cruise and land tour. He and his family at Discovery Tours have led all of our trips, as well as trips for the Nature Conservancy, Cuyahoga Valley National Park, and other county parks in northeast Ohio.

Discovery Tours will be hosting informational meetings to share the details and answer questions about our trip. Please share this information with anyone you know who may be interested in this exciting trip. They do not have to be Friends of Medina County Parks members to participate. If you desire to speak to someone before the meeting, you may contact Chip Cipolletti at 216.531.8884 or acipolletti@tourwithdiscovery.com.
