

# Tree of Life

This program gives you an opportunity to remember those who have touched your life in a special way with a living memorial.

Once we receive your order form and gift, the park district will send an appropriate acknowledgment card to designees or their families. When donations are received, they are put into the Tree of Life fund until the time when trees can be planted (spring or fall). The minimum donation is \$10. You have the option to purchase an individual tree for \$300. Trees can be selected by the donors with the assistance of the landscape architect.
