

# March 20 through June 19, 2025

Get outside and fish at your Medina County parks this spring. This self-guided program is the perfect way to spend time with family and friends and can be completed at your convenience.

Participants who fish at five or more designated fishing areas between March 20 and June 19 and turn in their completed forms to the Oenslager Nature Center between June 20 and July 6, 2025 will receive an award (while supplies last). This program is open to all ages; one award per person.

Check off the park and write down the types (if known) and quantity of fish you caught on the line provided on the back of this flier. Please fish in designated fishing areas only and obey all fishing limits posted. A fishing license is NOT needed at any of the lakes/ponds listed in this challenge. A complete listing of fishing regulations can be found at [www.medinacountyparks.com](http://www.medinacountyparks.com).
