

Medina County Park District is pleased to announce the completion of Phase 1 of the new multipurpose Plum Creek Greenway trail. The hiking and biking trail is a collaborative project with the city of Brunswick. Phase 1 of the new trail leads walkers and cyclists from Plum Creek Park to the city's Mooney Park. The park district recently installed new site maps at Plum Creek Park. Look for new symbol/color-coded trail markers to be installed in the coming weeks. We also resumed reservations for the enclosed and open-air shelters on the north side.

Thank you to the following community groups who attended the ribbon cutting on September 6.

MCPD commissioners and staff  
Representatives from the city of Brunswick  
Medina County Sheriff's Department  
Friends of Medina County Parks  
Bike Medina County  
Northern Medina County Chamber Alliance
