

Paths to Pollinators

A Scavenger Hunt Adventure!

Looking for something fun and adventurous to do with your family this summer? Then try out the newest geocache/letterbox series in the Medina County parks! Made for geocachers and non-geocachers alike, everyone will enjoy buzzing down park trails on this pollinator-themed scavenger hunt.

How to play:

- Visit seven different Medina County parks to find hidden containers
- Collect code words from each container for your Pollinator Passport
- Containers can be found using a combination of GPS coordinates and written clues. Non-GPS users will find them easily following written clues alone.
- Return completed Pollinator Passport, with all seven code words, to Wolf Creek Environmental Center to claim your special edition Medina County parks pollinator pathtag.

Click [here](#) for your Pollinator Passport

Click below for clues to each of the seven containers:

[MCPD Paths to Pollinators: Allardale](#)

[MCPD Paths to Pollinators: Buckeye Woods](#)

[MCPD Paths to Pollinators: Hubbard Valley](#)

[MCPD Paths to Pollinators: Killbuck Lakes](#)

[MCPD Paths to Pollinators: Letha House East](#)

[MCPD Paths to Pollinators: Medina Marsh](#)

[MCPD Paths to Pollinators: Princess Ledges Nature Preserve](#)

Series expires November 1, 2019.

Completed passports can be turned in between June 30 and December 30.

If you have questions or concerns about any of the boxes in this series, please contact Shelley Tender at 330.239.4814 or stender@medinaco.org.
